

## Candidate Test Preparation Manual (TPM) 10<sup>th</sup> Edition for Entry-Level Firefighters Order Form

The 10<sup>th</sup> Edition Test Preparation Manual is a reading comprehension test and consists of five chapters describing information needed to prepare for the actual test. Candidates study the required Manual for 3 to 6 weeks and then take a multiple-choice test measuring their retention of the material in the Manual.

We have created a paper-and-pencil TPM 10<sup>th</sup> Ed. practice test\* that contains 50 questions similar to those in the actual TPM Test. The Practice Test consists of several questions from each of the five chapters covered in the TPM. This Practice Test is intended to measure the candidates' reading ability skills, not their cognitive ability skills. **The answer key for the TPM Practice Test is also included.**
